

Your Tax Certificates for 2015

As you are aware, you are required to submit your medical aid tax certificate each year when you submit your annual tax return. These are sent to you by the Scheme via e-mail prior to the financial year-end and they can also be downloaded from our website at www.bankmed.co.za.

For the 2015 financial year you will be receiving two tax certificates as opposed to just one:

- one for the period from March 2015 to February 2016, for claims dated prior to January 2016 which were processed by Metropolitan Health and
- one for the period from 1 January 2016 until end February 2016 for claims dated between January – February 2016 which will have been processed by Discovery Health.

These tax certificates will both be e-mailed to you by Metropolitan Health and Discovery Health respectively. As per usual, you will be able to download the Discovery Health tax certificate from our website, however you will need to call the call center on 0800 BANKMED (0800 226 5633) to resupply you with the Metropolitan Health tax certificate, should you misplace your e-mailed copy.

Both of these are required to be submitted with your 2015 tax return.

Should you have any queries pertaining to your tax certificates, kindly contact us on 0800 BANKMED (0800 226 5633) or e-mail enquiries@bankmed.co.za.
