If you have followed step 1 and feel that your enquiry or complaint was not dealt with to your satisfaction, or that the Scheme Rules were not correctly applied, we encourage you to let us know where you feel we could improve.

Explain the situation to a Bankmed Customer Services agent on 0800 BANKMED (0800 226 5633). Our agents are equipped to resolve any errors that may have occurred or to provide additional clarity and guidance which may be needed to put your mind at ease.

If you are not satisfied with the service or outcome provided by the agent, you may ask to be transferred to a supervisor or manager. Should a supervisor or manager not be immediately available to take your call (for example, they are on another call), the agent will confirm your contact details and ensure that you are called back as a matter of urgency.

### Further options

If you remain unsatisfied and feel that you have been treated unfairly by us in any way, you may lodge a formal complaint with the Council for Medical Schemes (CMS). The CMS is a regulatory board that governs and provides regulatory supervision of private health financing through medical schemes and also deals with complaints that members have not been able to resolve with their respective medical schemes. The CMS should be referred to, after exhausting all possible avenues directly with the Scheme.

The CMS may be contacted via the following channels:
