I give permission for my Healthcare Professional to provide Bankmed Medical Scheme and the administrator with my diagnosis and other relevant clinical information required to review my application. I agree to my information being used to develop registries. This means that you give permission for us to collect and record information about your condition and treatment. This data will be analysed, evaluated and used to measure clinical outcomes and make informed funding decisions.

I understand that:

- 1.1. Funding from Prescribed Minimum Benefits is subject to meeting clinical entry criteria requirements as determined by Bankmed Medical Scheme and the administrator.
- 1.2. The Prescribed Minimum Benefit provides cover for disease-modifying therapy only, which means that not all medicines for a listed condition are automatically covered by Prescribed Minimum Benefits.
- 1.3. By registering for Prescribed Minimum Benefits, I agree that my condition may be subject to disease management interventions and periodic review and that this may include access to my medical records.
- 1.4. Funding for treatment from Prescribed Minimum Benefits will only be effective from when Bankmed Medical Scheme or the administrator receives an application form that is completed in full.
- 1.5. An application form needs to be completed when applying for a new PMB condition.

- 1.6. If you are approved on the benefit, you need to let us know when your treating doctor changes your treatment plan so that we can update your Prescribed Minimum Benefit authorisation/s. You can do this by e-mailing the new prescription to us or asking your doctor or pharmacist to do this for you.
- 1.7. To make sure that we pay your claims from the correct benefit, we need the claims from your Healthcare Professional to be submitted with the relevant ICD-10 diagnosis code(s). Please ask your doctor to include your ICD-10 diagnosis code(s) on the claims they submit and on the form that they complete when they refer you to the pathologists and/or radiologists for tests. This will enable the pathologists and radiologists to include the relevant ICD-10 diagnosis code(s) on the claims they submit, ensuring that we pay your claims from the correct benefit.

Consent for processing my personal information

I give the Scheme and the administrator consent to have access to and process all information (including general, personal, medical or clinical information) that is relevant to this application. I understand that this information will be used for the purposes of applying for and assessing my funding request for Prescribed Minimum Benefits. I consent to the Scheme and the administrator disclosing, from time to time, information supplied to them (including general, personal, medical or clinical information) to my Healthcare Professional and to relevant third parties, to administer the Prescribed Minimum Benefits as well as undertake managed care interventions related to the PMB condition.
