### Overview

- This medicine list (formulary) contains medication for acute (short term) use only
- We have set the quantity of medication for each medication sub-category (medication with similar therapeutic effects) according to a specified number of days. For example, a member may claim up to a maximum of 30 Moxymax 250mg capsules once every 120 days or 200ml Augmaxcil S suspension once every 120 days
