Your cover on the Compassionate Care Benefit

The Compassionate Care Benefit pays for services provided by a multidisciplinary team

We will pay for healthcare services provided by any of the Healthcare Professionals represented in the palliative multidisciplinary team, according to a specific basket of care and the agreed individual member care plan.

These costs will not affect your day-to-day benefits, and will be paid at the Scheme Rate from the Hospital Benefit, up to the overall benefit limit.

There is an overall limit for the Compassionate Care Benefit

Plan	Amount
Core Saver, Comprehensive, Traditional and Plus Plans	R64 760 for each member in a lifetime

We may continue to pay for your care as a Prescribed Minimum Benefit (PMB) when you reach the overall limit

When you reach the Compassionate Care Benefit limit and if your condition is a Prescribed Minimum Benefit (PMB) condition, we may continue to pay the costs as such, subject to authorisation. To register, your Healthcare Professional needs to complete the application form for out-of-hospital management of a Prescribed Minimum Benefit condition and e-mail it to PMB_APP_FORMS@bankmed.co.za, together with supporting documents.

Palliative care must be accessed from providers who are registered with the Board of Healthcare Funders

Bankmed will pay for these healthcare services or treatments as long as the application is approved and you use appropriately registered providers (with a valid Board of Healthcare Funders (BHF) registration number) who use valid tariff codes for the healthcare service or treatment.

We need the appropriate ICD-10 codes on accounts

All accounts for palliative care must have a relevant and correct ICD-10 code (diagnosis code) for us to pay it from the correct benefit. To ensure there isn't a delay in paying your Healthcare Professionals' accounts, please notify the team managing your treatment (or your loved one's treatment) about this requirement.

Where you, as the patient, choose to nominate someone to assist you with managing your medical aid, you can complete a third party consent form. This form is available on www.bankmed.co.za. If at any stage, you wish to revoke consent for sharing of information, you can notify us accordingly.
