

Oncology Supportive medicine list (formulary) 2022

Who we are

Bankmed Medical Scheme (referred to as ‘the Scheme’), registration number 1279, is a not for profit organisation, registered with the Council for Medical Schemes. Discovery Health (Pty) Ltd (referred to as ‘the administrator’) is a separate company and an authorised financial services provider (registration number 1997/013480/07) which takes care of the administration of your membership for the Scheme.

Important information you need to know

The information contained in this document may change from time to time. Any changes to the way we fund medication will be communicated.

The Oncology Benefit is managed by the Bankmed Scheme Rules. The use of the benefits and programmes linked with the Oncology Benefit are subject to specific conditions and rules. Members must ensure that they know these rules and conditions.

Any instructions or advice on medication and the management of your condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of your doctor, pharmacist or other Healthcare Professional.

You get full cover for approved oncology medication on our medicine list. You may have a co-payment for medication not on our medicine list.

Bankmed reserves the right to amend the benefit at any time.

Active Ingredient

This is the main substance in a medication that is responsible for the clinical action on a human body.

Generic Grouper

This is a term used to group products according to their active ingredient, strength of the active ingredient and the dosage form.

Nappi Code

This is a unique identifier for a given medicine, surgical or consumable product.
