Section 3: "Above Scheme Rate" portions of claims payable from your Medical Savings Account

Should you select a Plan with a Medical Savings Account (Core Saver, Comprehensive or Plus Plan), you may elect to have shortfalls above the Scheme Rate funded from the available balance in your Medical Savings Account. Please note that this is not automatically activated.

Should you wish to have shortfalls above the Scheme Rate automatically funded from your available Medical Savings Account, please mark with a "√".

Please note: Plus Plan members – should you select this option, any "above Scheme Rate"portions paid from your Medical Savings Account will not accumulate towards your Annual Threshold, resulting in a Self-payment Gap.
