

## BANKMED

### ANNEXURE B2: BANKMED BASIC PLAN (NO SAVINGS)

#### Schedule of benefits with effect from 1 January 2022

##### STATUTORY PRESCRIBED MINIMUM BENEFITS

Notwithstanding any provisions to the contrary in this schedule, the Scheme will fund:

- 100% of the diagnosis, treatment and care costs of the Statutory Prescribed Minimum Benefits (PMBs), subject to PMB regulations, if those services are obtained from a Designated Service Provider (DSP) in South Africa; or
  - the relevant Scheme Rate for the diagnosis, treatment and care costs of the Statutory Prescribed Minimum Benefits if a beneficiary voluntarily accesses PMBs via a non-DSP in South Africa, when provision is made for a DSP according to this schedule; or
  - 100% of cost for involuntary use of a non-DSP in South Africa, subject to PMB regulations

Pre-authorisation, medicine formularies and Scheme protocols (previously known as “Care Plans” and now known as “Baskets of Care”) may apply

Diagnosis costs are only regarded as a PMB if the result of diagnostic investigations confirms a PMB diagnosis

Where a benefit is indicated as “no benefit” in this schedule, insured benefits shall nevertheless be provided for PMBs in South Africa, subject to PMB regulations

When insured limits are specified in this schedule, the limit will first be utilised for the payment of the relevant claims, and thereafter continued funding will apply for PMB claims only, subject to PMB regulations

Additional arrangements pertaining to PMBs (subject to PMB regulations) are set out in the Preamble to Annexure B and in Annexure D (Claims Procedure and General Provisions Regarding Benefits)

**STATUTORY PRESCRIBED MINIMUM BENEFITS**

**PRO RATING OF BENEFITS FOR MEMBERS JOINING DURING THE COURSE OF A FINANCIAL YEAR**

Beneficiaries admitted during the course of a financial year are entitled to the benefits set out in this schedule, with the maximum benefits being adjusted in proportion to the period of membership calculated from the date of admission to the end of the financial year (rule 16.1.5), except for stated wellness and preventative care benefits, which shall not be subject to pro-ration
